About Pani's

We opened in 1995 and we were the first true Italian Street Café in Newcastle. Since then we have been family run and have employed many members of our family.

From the start we have served traditional Sardinian foods like Malloreddus and Fregola or wines like Vermentino and Cannonau. But we've never stopped innovating, importing specialist breads like Pane Carasao and wines like Carignano, to make exciting and innovative Sardinian themed dishes.
